- If an inmate presents with symptoms of a respiratory illness, PSD Health Care Division's staff will perform a full evaluation, including testing for COVID-19 and common infectious respiratory illnesses such as Influenza.
- Health care staff conduct onsite specimen collection using the nasopharyngeal swab and submit the specimen to Clinical Labs for testing.
- Inmates pending testing are immediately placed in medical isolation.
- The facilities have longstanding outbreak management plans in place to quickly identify, isolate and treat communicable diseases. They remain vigilant in their efforts to prevent and slow the spread of COVID-19.
