

COVID-19 (Coronavirus): Persons in our Care Testing Dashboard

[COVID-19 Home \(/Pages/COVID19\(Coronavirus\)/COVID19.aspx\)](#)

The Wisconsin Department of Corrections remains committed to maintaining transparency throughout the duration of the public health emergency to keep the public informed about the health and well-being of those who live and work in our facilities. The data below represents the latest testing and case information amongst Persons in our Care and will be updated at 4:00 p.m. each weekday.

This interactive dashboard contains data regarding COVID-19 testing across the adult correctional facilities. Click on the different tabs at the top of the dashboard to view additional detailed information including testing trends, testing maps and a breakdown of test results by location.

in a separate document, or to display the desired data. If more information is needed, please email: WIDOCDataandResearchInquiries@wisconsin.gov.
for download. If your questions cannot be answered using this dashboard, please email: WIDOCDataandResearchInquiries@wisconsin.gov.
