On April 15, 2020, Governor Inslee issued an emergency commutation to allow for the release of incarcerated individuals. The commutation is specific to those in custody whose judgment and sentences include those who do not have a conviction for a violent or sex offense and whose projected release date (PRD) is prior to or on June 29, 2020. It authorizes their transfer from confinement within seven days of the order, or as soon as can be reasonably achieved thereafter.
