In an effort to provide timely and accurate information regarding the impact of COVID-19 on our operations, the numbers of positive DOC-related COVID-19 cases under quarantine will be posted here each Tuesday and Friday:

The groups referred to in the above chart are broken down as follows:

- Inmates (Includes Residents in our Community Correction Centers and Supervision Sanction Programs);
- Facility Security Staff;
- Facility Non-Security Staff; and
- Non-Facility Staff (Includes Central Office Staff, Parole & Probation Officers, Teachers, etc.)

Each update will likely vary based on the number of positives under quarantine at that time.
