The health and safety of our staff, those in our care, and the community is our top priority.

The Department of Corrections began supporting Department of Health (DOH) response to COVID-19 on February 9, 2020 by providing members of the agency Department Incident Management Team (DIMT). An advanced contingency planning team launched on February 28, 2020 to support the agency response. The department officially opened its Emergency Operations Center (EOC) at Headquarters in response to COVID-19, including representatives from health services staff, on March 2, 2020.
